

N/A

# TPS7A3725DRVR

Dio brojeva:

TPS7A3725DRVR

Proizvođač / robna marka:

N/A

### Opis proizvoda

IC REG LINEAR 2.5V 1A 6SON

Liste podataka:

Status: PoHS

✓ Ne sadrži olovo / RoHS sukladnost

Stanje zaliba

56079 pcs stock

Brod od

Hong Kong

Put nočilike

DHL /Fedex/TNT/UPS/EMS

## ZAHTJEV ZA PONUDU

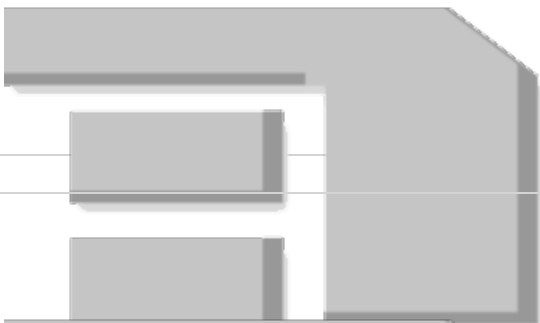

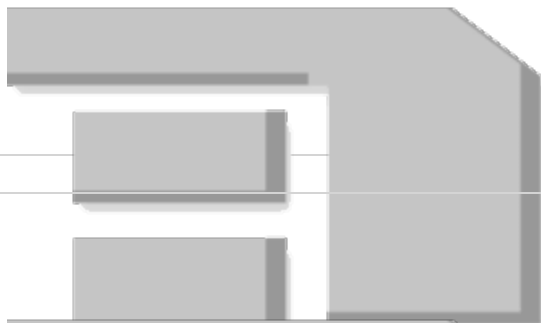

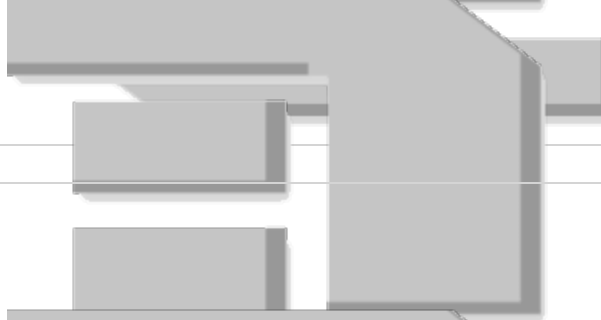

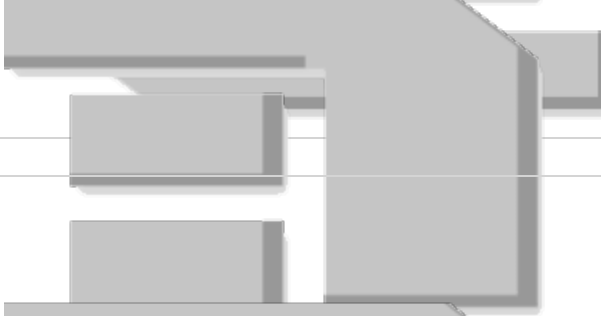

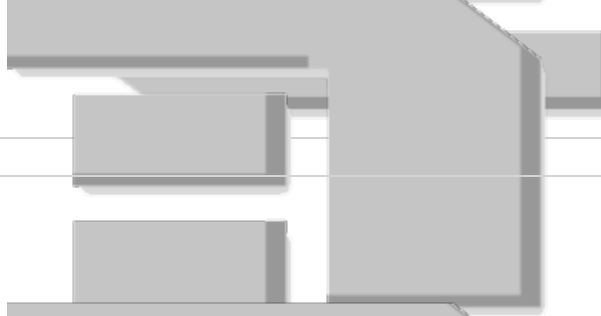

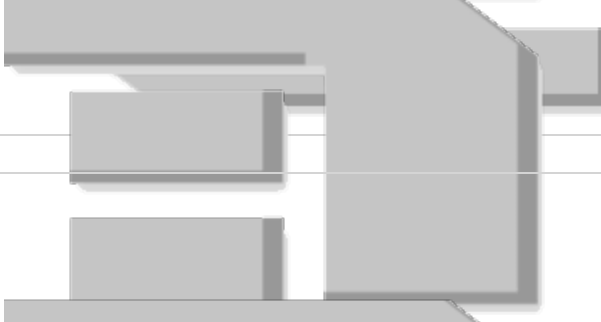

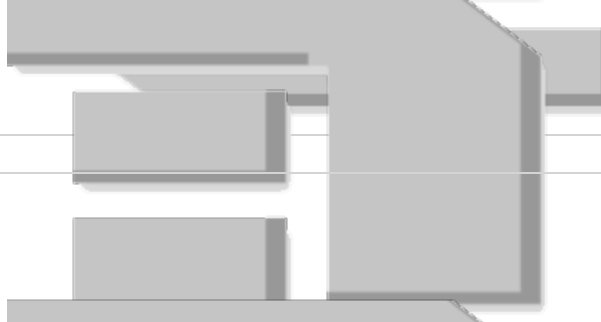

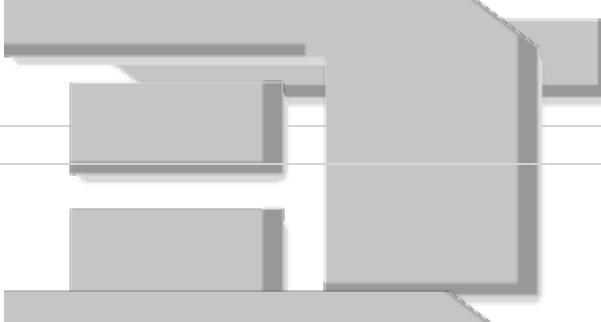

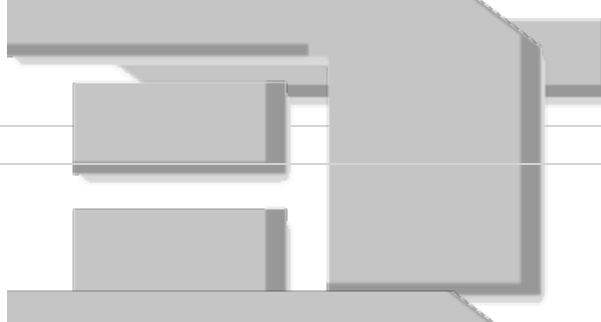

## Specifikacije TPS7A3725DRVR

|                                  |                                                                                |
|----------------------------------|--------------------------------------------------------------------------------|
| DIO BROJEVA                      | TPS7A3725DRVR                                                                  |
| PROIZVOĐAČ                       | N/A                                                                            |
| OPIS                             | IC REG LINEAR 2.5V 1A 6SON                                                     |
| STATUS SLOBODNOG OLOVA / ROHS-A  | Ne sadrži olovo / RoHS sukladnost                                              |
| RASPOLOŽIVA KOLIČINA             | 56079 pcs                                                                      |
| OBRAZAC PODATAKA                 |                                                                                |
| ISPUŠTANJE NAPONA (MAKS.)        | 0.2V @ 1A                                                                      |
| NAPON - IZLAZ (MIN / FIKSNI)     | 2.5V                                                                           |
| NAPON - IZLAZ (MAKS.)            | -                                                                              |
| NAPON - ULAZ (MAKS.)             | 5.5V                                                                           |
| PAKET UREĐAJA ZA DOBAVLJAČE      | 6-SON (2x2)                                                                    |
| NIZ                              | -                                                                              |
| ZNAČAJKE ZAŠTITE                 | Over Current, Over Temperature, Reverse Polarity, Under Voltage Lockout (UVLO) |
| AMBALAŽA                         | Cut Tape (CT)                                                                  |
| PAKET / SLUČAJ                   | 6-WDFN Exposed Pad                                                             |
| PSRR                             | 58dB ~ 37dB (100Hz ~ 10kHz)                                                    |
| VRSTA IZLAZA                     | Fixed                                                                          |
| IZLAZNA KONFIGURACIJA            | Positive                                                                       |
| DRUGA IMENA                      | 296-40975-1                                                                    |
| RADNA TEMPERATURA                | -40°C ~ 125°C                                                                  |
| BROJ REGULATORA                  | 1                                                                              |
| VRSTA MONTAŽE                    | Surface Mount                                                                  |
| RAZINA OSJETLJIVOSTI VLAGE (MSL) | 2 (1 Year)                                                                     |
| STATUS SLOBODNOG OLOVA / ROHS-A  | Lead free / RoHS Compliant                                                     |
| DETALJAN OPIS                    | Linear Voltage Regulator IC Positive Fixed 1 Output 2.5V 1A 6-SON (2x2)        |
| STRUJA - OPSKRBA (MAKS.)         | 1.3mA                                                                          |
| TRENUTAČNA - MIRNA (IQ)          | 400µA                                                                          |
| TRENUTNI - IZLAZ                 | 1A                                                                             |
| KONTROLNE ZNAČAJKE               | Enable                                                                         |
